Warner reported on a conversation with Stennis yesterday, the latter having assured him that the Agency budget was O.K.

Parrott reported on PFIAB members visit to Europe. Agency support had been outstanding.

[redacted] for DDS&T, reported on the precautionary measures which had been taken to protect certain facilities [redacted]

Earman noted that Exercise [redacted] had been cancelled for this year. He also noted a letter [redacted] in which he accepted DCI's invitation to serve on the Strategic Weapons Panel.

The DDCI reported on the conversation he and the Director had had yesterday with Secretary of Defense and Vance as to having an Agency officer assigned to MacNamara's office. (See Action Item No. 2.)

ACTIONS

1. In connection with the proposed monthly CIA/DIA assessment of bomb damage in North Vietnam, the DCI instructed that full exploitation be made of all sources in developing this report.

2. The DDCI requested that a list of Agency publications be brought together and a letter be prepared for the DCI's signature to forward this list to Secretary MacNamara.

J. S. Earman
